

Literacy:

This half term we will be looking at non-fiction stories. The children will be learning and retelling a number of non-fiction texts such as information texts and they will be using their imagination and English skills to finally write their own non-fiction piece.

Numeracy:

This half term we are going to be looking at using a variety of different maths skills to further the learning of place value and number, fractions and length and capacity.

Science:

This half term we are going to be learning about animals including humans, the names of a variety of animals, grouping them according to their features and what they eat. Children will learn about animals through practical activities and investigations.

R.E:

We will be learning about Jesus and the Christmas Story. We will be learning about why we celebrate Christmas and how it compares to other Christian celebrations around the world.

Year 1
Miss Duggan
Curriculum Overview
Term: Autumn 2

Music:

This half term the children will be learning to create sound effects, they will be making their own musical instrument and using it to accompany a story.

PSHE/ GAPS:

This half term we will be looking at Anti-Bullying.

These are the areas of the curriculum your child will be studying this half term. If you have any relevant experiences or expertise which you can share with the children please let us know.

P.E: Horse riding!

Children will take part in 6 weeks of horse riding lessons this half term.

History/ Geography:

This half term we will be learning about Guy Fawkes and the gunpowder plot. We will be learning about the events that led to the celebration of Bonfire night and creating a recount of the story.

Art/DT: The half term we will be learning about cooking, focussing on cutting different foods and how they look and taste.

I.C.T:

In ICT the children will be learning to programme and debug codes. They will be using beebots to give a sequence of instructions.
