

Literacy:

This half term we will be looking at fiction and non-fiction stories. The children will be learning and retelling a number of texts such as stories with repeating patterns and they will be using their imagination and English skills to finally write their own fiction and non-fiction piece.

Numeracy:

This half term we are going to be looking at Place value. We will be using practical maths to sort objects into numerical order, writing in numerals and words and counting both forwards and backwards.

Science:

This half term we are going to be learning about plants. We will investigate what a plant needs in order to grow, the types of plants and evergreen and deciduous trees. Children will learn about plants through practical activities and investigations.

R.E:

We will be learning about Jesus the healer. We will be looking particularly at miracles. Discussing miracles that Jesus performed and creating our own diary entries, posters and postcards to explain the miracles.

Year 1
Miss Duggan
Curriculum Overview
Term: Autumn 1

These are the areas of the curriculum your child will be studying this half term. If you have any relevant experiences or expertise which you can share with the children please let us know.

Music:

This half term the children will be learning to create sound effects, they will be making their own musical instrument and using it to accompany a story.

PSHE/ GAPS:

This half term we will be looking at how to be a good friend.

P.E: Horse riding!

Children will take part in 6 weeks of horse riding lessons this half term.

History/ Geography:

This half term we will be learning about the Great Fire of London. We will be learning about London in the past and present, life in the 17th century and the events that led up to the fire.

Art/DT: This half term we will be painting, we will be learning to mix primary and secondary colours, tinting and discuss artists work such as Paul Klee and Andy Warhol. The children will use what they have learnt to create their own piece of art based on an Artist.

I.C.T:

In ICT the children will be learning to programme and debug codes. They will be using beebots to give a sequence of instructions.
