

Literacy:

This half term we will be looking at lots of non-fiction books. We will be learning how to gather relevant information from these books and will then be looking at how we can group and present this information in our own interesting way.

Numeracy:

This half term we will be continuing to develop our confidence using the four operations (addition, subtraction, multiplication and division) and will be trying hard to explain our answers to others. We will be trying really hard to learn our 3 and 4 times tables too!

Science:

This half term we are learning about rocks and soils. We will be comparing different types of rocks and investigating what fossils are and how they are made. We will also be looking at soil and finding out how that is formed!

Year 3
Miss Bradbury
Curriculum Overview
Term: Autumn 2

R.E: This half term we will be looking at

We will be focussing on famous people that the children will be familiar with and exploring how Jesus helps them all differently.

Music:

The children will continue to develop their confidence with exploring and creating patterns and beats in music using various instruments.

These are the areas of the curriculum your child will be studying this half term. If you have any relevant experiences or expertise which you can share with the children please let us know.

History/ Geography:

This half term in History we will be learning about the Stone age. We will be learning about what life was like back then and will be comparing it to our lives now.

P.E:

In P.E this term we will be learning karate!

DT: In design technology this half term we will be cooking! We are going to be looking at and making different types of cakes and will attempt to make some bread too, mmm!

I.C.T:

This half term we will be using the Scratch programme and learning how to create and programme our own characters for a Christmas story/film.
