

### Literacy:

This half term we will be looking at fiction and non-fiction. The children will be learning and retelling a number of fiction stories and looking at instructions and stories from other cultures. They will be using their imagination and English skills to finally write their own fiction and non-fiction piece.

### Numeracy:

This half term we are going to be looking at using a variety of different maths skills to further the learning of measurement, time and money.

### Science:

This half term we are going to be learning about seasonal change. We are going to be observing and describing weather change associated with seasons and we will be looking at the impact on people and plants resulting from seasonal change. Children will learn about seasonal change through practical activities and investigations.

### R.E:

We will be learning about the Easter Story. The children will be learning about Christian events that surround Easter such as Lent, Palm Sunday, mothering Sunday and Easter.

Year 1  
Miss Duggan  
Curriculum Overview  
Term: Spring 2

### Music:

This half term the children will be learning to use vocabulary to discuss what they think about different pieces of music.

### PSHE/ GAPS:

This half term we will be looking at eating healthy and exercising.

These are the areas of the curriculum your child will be studying this half term. If you have any relevant experiences or expertise which you can share with the children please let us know.

### P.E:

This half term the children will be participating in Yoga. They will be reading a story each week and practising yoga alongside the text.

### History/ Geography:

This half term we will be learning about the Geography of our local area. We will be using maps to locate familiar areas, using compass to direct each other and looking at different ways of transport.

Art/DT: This half term we will be learning about 2D and 3D modelling. We will be looking at designing and creating our own model.

### I.C.T:

In ICT the children will be learning about staying safe online. We will be exploring e-safety looking at Hector's world animation and discussing how we can use the internet safely.
