

Literacy:

This half term we will be looking at Greek myths and legends. Throughout this topic we will be developing our confidence with using powerful verbs and beginning to recognise the concept of a verb and speech marks.

Numeracy:

This half term we will be learning how to tell the time and how to use fractions. We will also be focussing on developing our confidence using our 3, 4 and 6 times tables and will be learning our 8s too!

Science:

This half term we are learning about Light and eyes. We will be investigating how light travels and will look at the process involved with helping us to see.

Year 3
Miss Bradbury
Curriculum Overview
Term: Spring 1

R.E: This half term we will be looking at key events in the life of Jesus. We will be focussing on events that the children will be familiar with and exploring how each event has helped Jesus and us to be the people we are.

Music:

The children will continue to develop their confidence with exploring and creating patterns and beats in music using various instruments.

These are the areas of the curriculum your child will be studying this half term. If you have any relevant experiences or expertise which you can share with the children please let us know.

History/ Geography:

This half term in Geography we will be looking at European countries – in particular Greece. We will be using maps and Atlases to find out about the country and compare it to other European countries too.

P.E:

In P.E this term we will be looking at Games and the rules involved – in particular Rugby.

Art- In art this half term we will be developing our drawing skills. We will be researching famous artists and using their skills to help develop our skills and accuracy with drawing.

I.C.T:

This half term we will be using Microsoft publisher and the internet to find information and present it in an online digital book.
