

Literacy:

This half term we will be learning about myths and legends. We will use a range of mythical texts to adapt our writing to the appropriate style. We will also be looking at fairy tales, non-chronological reports and persuasive writing.

Numeracy:

This half term we will be re-visiting length and perimeter. We will also be learning about fractions and decimals with division and position and direction. We will continue to practise basic skills with emphasis on the 6 7 and 9x tables.

Science:

In science this half term, we will be learning about states of matter. We will be grouping materials together according to whether they are solids, liquids or gases. We will also look at the water cycle and the processes of condensation and evaporation.

R.E:

In the spring term, we are going to be focusing on key events in Jesus' life such as his birth, baptism and his death.

Year 4
Miss Johnson
Curriculum Overview
Term: Spring 1

Music:

This half term the children will continue to play and perform a range of different musical pieces.

PSHE:

This half term we will be learning about how to stay safe and keep healthy.

These are the areas of the curriculum your child will be studying this half term. If you have any relevant experiences or expertise which you can share with the children please let us know.

P.E:

In PE this half term, we will be learning about a number of different games.

History/ Geography:

This half term in Geography, we will learn about the key features of a European country. We will consider rivers, mountains and volcanoes in this area as well as the distribution of natural resources.

Art:

In Art this half term we will be learning to use a range of skills such as sewing to make textile pieces.

I.C.T:

This half term, we will continue to learn about safety in ICT. We will also create multimedia books using Microsoft publisher.
