

Literacy:

This half term we will be looking at older literature. We will be looking at a range of older literature. We will be developing our confidence in understanding the language by considering TV and film adaptations. We will also be learning about poetry and linking this to our knowledge of the Elizabethans.

Numeracy:

This half term we will be learning about fractions and measures. We will be learning how to compare, identify, convert, add, subtract and multiply fractions! We will also be looking at how to convert fractions into percentages and decimals. Finally, we will consider how to convert between units of metric measures.

Science:

This half term we are learning about forces and magnets. We will be learning about the force of gravity and how it affects the way we live on earth! We will also be thinking about other forces such as air resistance, water resistance and friction and how they act between different surfaces.

R.E:

This half term we will be learning about Islam. We will consider several areas of Islam such as the pillars, prophet, family and the special book. We will consider how Islam is similar and different to Christianity.

Year 5
Miss Johnson
Curriculum Overview
Term: Spring

Music:

This half term we will be continuing to learn a range of styles and techniques whilst playing our violins!

PSHE/ GAPS:

This half term we will be focusing on careers.

These are the areas of the curriculum your child will be studying this half term. If you have any relevant experiences or expertise which you can share with the children please let us know.

P.E:

In P.E this term we will be learning Dance. We will be thinking about speed, direction and control and how they impact our bodies.

History/ Geography:

This half term we will be learning about the Elizabethans. We will find out about the reign of Queen Elizabeth I. We will find out about daily life in the Elizabethan era and leisure activities the Elizabethans enjoyed.

Art/DT :

This half term we will be learning about Sculpture. This will be linked to our Elizabethan topic. We will produce our own Elizabethan pottery and paint it!

I.C.T:

This half term we will be learning about data logging and databases. We will use textease to record data and consider why and when logging data would be important.
