### Home School Agreement

The following Home School Agreement has been made in consultation with parents, pupils, teachers and Governors of our school. In its simplest terms "it is a signed declaration supporting the aims, values, policies and procedures of our school". It also reflects the outstanding relationships that now exist between all those of us who share a mutual desire to see our school succeed.

Parents are asked to sign and date this agreement and return it to school. The declaration will be signed by all children, after it has been fully explained to them by their class teacher. The fully completed document will then be photocopied and parents will be asked to keep the original, which will be returned to you. (A non returned or non signed agreement will also be interpreted as consent for our policy and proposals).
